Tasks to be performed :

- Details of the different tasks
 - Dishwashing : usually 2h for breakfast (8h30 to 10h30) or 4h for supper (from 4pm to 8pm), sometimes during the day as required. Washing of customers' dishes (around 18 pers.) and kitchen tools by hand.
- Housekeeping : according to cleaning schedules, around 1 to 3 hours per day. Housekeeping of Auberge rooms and cottages (sweeping the floor, bathrooms, windows, etc.)
- Depending on the need, the 4 to 6 hours of work per day requested for volunteering can also be completed for other related tasks (shoreline cleaning, trail maintenance, etc.)
- The majority of tasks require good physical fitness: carrying heavy loads, standing long, bending repeatedly, etc. Please consider this if you have limited physical abilities and indicate this on the registration form.

Food

- Volunteers have access to staff food
- Only suppers are prepared in a community way, other meals and snacks are prepared independently by everyone
- We can accommodate some dietary restrictions (vegetarianism, minor allergy) but if the volunteer has very specific needs, they will have to bring their provisions

Lodging

- Preferred accommodation in employee residences
 - Included: private room, shared bathroom and basic bedding
 - Room availability varies depending on the time of year :
 - With the departure of several employees for studies in late August/early September, several rooms are available and can then host volunteers
 - The rest of the summer, all rooms are occupied by employees
 - Camping :
 - Site allocation based on availability
 - Free camping on one of the sites of the Camping de la Plage during your volunteer stay
 - You must bring your camping equipment

Since the process of welcoming volunteers requires a lot of organization and time on the part of the existing staff, we ask the selected candidates to commit themselves to the agreed date through the signing of a volunteer contract.
